

Parade Will Signal Opening of Stock Show

The annual Third District Live-Stock Show Parade, signaling the opening of the 1962 show will be held on Monday Sept. 24 at 4 p. m. in downtown Hope.

For the purpose of awarding prizes, the parade will be divided into the following categories: School Float Division, Negro Float Division, Civic Float Division, and Youth Organizations Float Division.

Each of these divisions will be awarded \$75 to be divided into a first prize of \$35, second \$25 and third \$15. A decorated bicycle division will be awarded \$15 with \$5 for first, \$3 for second and the winner next best will receive \$1. The pets division will also be awarded \$15 to be divided \$10 for first and \$5 for second.

Any organization that can qualify in the above divisions or any children in the bicycle and pets divisions are invited to participate. Entries from all over the Third District are eligible and encouraged to participate, according to Ben Owen, parade chairman.

Entries will need to be turned into Mr. Owen or the Chamber of Commerce office by Thursday, Sept. 20.

Defends State Land Office as Necessary

LITTLE ROCK (AP) — Land Commissioner Sam Jones told a Legislative Council committee Thursday that the function of his office had changed but it still had important duties.

Jones was defending his department against a proposal by Paul H. Rip, Jr., H. Cottrill Jr., who would strip it of employees and operating funds.

Jones said that while the department's traffic in sale of tax delinquent lands is less than in depression days, it performed a valuable function in clearing land titles.

Cottrill told the committee earlier that the Land Department cost \$91,900 a year to operate, \$20,000 more than it costs to run the governor's office, while receipts from sale of land and other fees totaled \$3,881 in 1960.

"We're losing money there," Cottrill said.

Jones said it wasn't the business of the Land Department to show a profit.

The committee decided to call representatives of the abstracting and legal professions and county clerks to determine if services of the land office help them. It also will call Lee Combs, who worked in the land office before Jones became commissioner in 1957, to discuss how the office used to operate.

Weather

Total 1962 precipitation through August, 32.26 inches; during the same period last year, 39.41 inches.

Experiment Station report for 24-hours ending at 8 a. m. Friday High 94, Low 74.

Arkansas Regional Forecast by THE ASSOCIATED PRESS.

Central Arkansas: Clear to partly cloudy, continued warm this afternoon, tonight and Saturday with a chance of a few afternoon or night time thunder showers. Clear to partly cloudy and continued warm Sunday with a chance of a few isolated afternoon or evening thundershowers. High this afternoon in the mid 90s. Low tonight in the low to mid 70s. High Saturday in the mid 90s. Southeast and Southwest Arkansas: Clear to partly cloudy with little change in temperatures today, tonight and Saturday. Widely scattered mostly afternoon and evening thundershowers. High this afternoon and Saturday afternoon 90 to 96. Low tonight 70 to 76. Little change Sunday.

Northeast and Northwest Arkansas: Partly cloudy this afternoon through Saturday with widely scattered mostly afternoon or night time thundershowers. Little change in temperatures. High this afternoon 88 to 96. Low tonight in the upper 60s. Widely scattered afternoon thundershowers Sunday.

ARKANSAS—Partly cloudy this afternoon, tonight and Saturday with widely scattered mostly afternoon or night time thundershowers. Little change in temperatures. High this afternoon 86 to 94. Low tonight 70 to 74. Continued on Page Two

Department Store Sales Are Up

ST. LOUIS (AP) — The Federal Reserve Bank of St. Louis reports that department store sales in the Eighth Federal Reserve District the week ended Sept. 8 were 14 per cent above those of the similar week of last year.

All reporting areas showed increases with Louisville leading the pack at 20 per cent above. Memphis was up 17 per cent, St. Louis eleven and Little Rock nine. Sales in seven smaller district cities rose 19 per cent.

District sales for the four weeks ended Sept. 8 are four per cent above those of the corresponding period of last year and sales to date are up six per cent from 91.

Red Guards Enter Berlin in a Bus

BERLIN (AP)—Bowling a second time to Western orders, Soviet guards drove into West Berlin today in a bus instead of armored cars.

The green and red bus brought the daily change of guard to the Soviet war memorial in the British sector of West Berlin.

A score of Soviet troops inside waved and smiled to a crowd of some 50 West Berliners, gathered at the Sandkrug Bridge crossing.

Some of the Berliners waved back.

The British, along with the Americans and French, had given the Soviets until Saturday to stop transporting their war memorial guards in armored cars. The Soviets had switched from buses to armored vehicles on Aug. 21, after the buses were stoned by West Berliners angry over the shooting of a young refugee at the Berlin Wall.

It was the second small victory for the Allies. Earlier in the month the Soviets acceded to an Allied demand that they send their guard through the wall at the Sandkrug Bridge rather than at Checkpoint Charlie, the crossing they had been using in the American sector.

The Allies told the Soviets earlier this week that there was no longer any need for them to use armored cars to move their personnel through West Berlin.

98 Attend First Meet of Jr.-Sr. PTA

Some 98 persons attended the first meeting of the year of the Jr.-Sr. High PTA yesterday in the Junior High auditorium and heard President John B. Gardner Jr. announce his executive committee chairmen as follows:

Arch Wylie, membership; Lynn Harris, health; James H. Pilkington, legislation; Haskell and Paul Jones, publicity; Vincent Foster, budget; Herbert Rogers, spirit and character; Homer Beyerley, May program; Frank McLarty, safety; Duffie Booth, attendance; Ray Turner, Political; Gordon Bayless, hospitality; and Emmett Wassell, magazine sales.

Supt. of Schools James H. Jones introduced teachers present and discussed an adult study course being planned along with improved mathematics, science and language courses, and the school's efforts in keeping students on the campus during the noon hour.

Other developments: Treasurer, Mrs. Ferrell Williams reported a balance on hand of \$59.89; the membership committee reported 122; and night meetings will be held in the future to encourage more men to attend; setting up a nursery during the meetings was suggested; the 7th grade had the most parents present.

Phone Owner Is Called by PSC

LITTLE ROCK (AP)—The Arkansas Public Service Commission directed J. A. Brooks, owner of the Ingalls Telephone Co., Thursday to appear before the commission Sept. 2 and outline what he has done to improve service.

Some of Brooks' 50 subscribers in Bradley County complained to the PSC in June. At that time, Brooks asked for additional time to install a modern dial system.

In other action Thursday, the PSC approved the Rice Belt Telephone Co.'s request for authority to borrow \$55,000 to improve its systems at Weiner, Fisher and Waldenburg.

Authorized incorporation of the Green Forest Telephone Co., and gave the firm authority to borrow \$540,000 to finance service improvements.

Cuba Watched But No Action Now JFK Says

By WHITNEY SHOEMAKER

WASHINGTON (AP)—President Kennedy says U.S. military action against Cuba is not now "required or justified."

But he told his news conference Thursday that if the United States should ever have to take action, "All of Castro's Communist-supplied weapons and technicians would not change the result or significantly extend the time required to achieve the result."

At the same time, the President admonished critics urging the administration to use military force against the Communist outpost.

He said he finds it "regrettable that loose talk about such action in this country might serve to give a thin color of legitimacy to the Communist pretense that such a threat exists."

The President said, as he has said before, that Cuba poses no serious threat to the Western Hemisphere.

However, should the Castro regime — with Russian backing — ever endanger the security of the United States in any way "this country will do whatever must be done to protect its own security and that of its allies," he said.

This holds true, the President declared, should Cuba ever threaten any nation in this hemisphere or should it ever develop into an offensive base for Russia.

He said the United States will intensify its watch over the Caribbean area. But he said Washington is aware of what goes on in Cuba and is "fully capable of dealing swiftly" with any genuine threats.

Kennedy opened the nationally televised and broadcast conference with a statement on the situation in Cuba, which has prompted demands in and out of Congress for stiff action. Cuba remained the dominant topic.

Kennedy did take the opportunity to condemn the burning of two Negro churches and the shooting of two Negroes during voter registration in the South. He called the actions "cowardly as well as outrageous" and said the right to vote and freedom of worship are hallowed and will be protected.

"If it requires extra legislation and extra force," he said, "we shall do that."

The President said Castro had committed himself to a Soviet takeover in hope of preventing his own collapse.

The chief executive said he discussed Cuba, among other subjects, with former President Dwight D. Eisenhower Monday but did not seek any agreement from Eisenhower to bar Cuba as a congressional campaign issue.

Neither, he said, would he suggest that Republican shots at his Cuban policy were politically motivated.

Kennedy said he and the Joint Chiefs of Staff will analyze all available intelligence to determine whether or when Cuba does present an offensive threat. In the meantime, he urged North Atlantic Treaty allies to give a second thought to allowing their ships to carry supplies to Cuba and called on Latin American governments to be on the alert. He said the United States will pay no heed to Soviet threats of retaliation to a U.S. attack on Cuba—that it does not need Moscow's help in making decisions.

Mississippi Officials Told to Defy Court

By JAMES SAGGUS

JACKSON, Miss. (AP) — Gov. Ross Barnett has ordered Mississippi officials to defy a federal court order to desegregate the University of Mississippi.

Describing efforts to integrate the university as Mississippi's greatest crisis since the Civil War, the 64 year old governor said Thursday night he preferred jail to submission to "the tyranny of judicial oppression."

He called for the resignation of any state official not prepared to go to jail rather than submit to the court order.

In solemn tones, Barnett told a statewide television-radio audience Mississippi schools "will not be closed if this can possibly be avoided, but they will not be integrated."

Barnett acted after a ruling by U.S. Supreme Court Justice Hugo Black cleared the way for James H. Meredith, a Negro, to enter the university next week.

Meredith, 29, reportedly was out of the state and unavailable for comment.

Mississippi is one of three states which have no integration in public education facilities. Alabama and South Carolina are the others.

During his 20-minute talk, the governor issued a proclamation placing the sovereignty of Mississippi between the federal government and state public schools and colleges—a legal device known as interposition.

Barnett quoted the 10th amendment to the U.S. Constitution, under which powers not delegated to the federal government are reserved to the states and said the operation of schools is a state responsibility.

Barnett said if actions in line with his proclamation are construed as contempt of federal courts, "I humbly and respectfully suggest that the charge be laid upon the governor."

Interposition efforts have been voided by federal courts.

Emphasis on Safety at Schools

This month the emphasis in all schools of the nation is on safety. At Garland Elementary School and at home are being shown and the teachers are giving instruction in how to prevent accidents on the playground and in the school room.

The following boys and girls have been chosen and installed to serve as members of the Safety Patrol for the first six weeks of the term:

Gail Burke, Captain; Bruce Ramsey, Lt.; Susan McCain, Jancy Seannans, Jannette Reynolds, Johnny Young, Billy Cash, Mary Marcum, James Burke, Donny Sloope, Robert Fravel, James Hairr, Billy Jackson, Clay Lehman, Ricky Renshaw, Connie Hendrix, Lanette Arrington, Anita Hughes, David Ward, Greg Harrison and Ronnie Lewis.

Johnny Young is serving as Junior Fire Marshal and Mark Pierce is his assistant.

Mississippi Officials Told to Defy Court

By JAMES SAGGUS

JACKSON, Miss. (AP) — Gov. Ross Barnett has ordered Mississippi officials to defy a federal court order to desegregate the University of Mississippi.

Describing efforts to integrate the university as Mississippi's greatest crisis since the Civil War, the 64 year old governor said Thursday night he preferred jail to submission to "the tyranny of judicial oppression."

He called for the resignation of any state official not prepared to go to jail rather than submit to the court order.

In solemn tones, Barnett told a statewide television-radio audience Mississippi schools "will not be closed if this can possibly be avoided, but they will not be integrated."

Barnett acted after a ruling by U.S. Supreme Court Justice Hugo Black cleared the way for James H. Meredith, a Negro, to enter the university next week.

Meredith, 29, reportedly was out of the state and unavailable for comment.

Mississippi is one of three states which have no integration in public education facilities. Alabama and South Carolina are the others.

During his 20-minute talk, the governor issued a proclamation placing the sovereignty of Mississippi between the federal government and state public schools and colleges—a legal device known as interposition.

Barnett quoted the 10th amendment to the U.S. Constitution, under which powers not delegated to the federal government are reserved to the states and said the operation of schools is a state responsibility.

Barnett said if actions in line with his proclamation are construed as contempt of federal courts, "I humbly and respectfully suggest that the charge be laid upon the governor."

Interposition efforts have been voided by federal courts.

State Polio Program Is Postponed

FORT SMITH, Ark. (AP)—Reports from Canada that four persons who took the Sabin oral polio vaccine developed paralysis led to postponement of Arkansas' massive immunization program Thursday night.

Dr. Roger Bost of Fort Smith, chairman of the Polio Committee of the Arkansas Medical Society, said unfavorable publicity would destroy the effect of the program at this time.

Bost's committee said the postponement should not be taken as an indication the committee felt anything was wrong with the vaccine.

But the committee thinks that, to be effective, the program would have to reach 80 per cent of the population, and the Canadian developments probably would cut heavily into volunteer participation.

All 75 of Arkansas' county medical societies had agreed to work with the state group on the program, making Arkansas the first state with a truly statewide program.

Bost said his committee would hold a scheduled meeting in Little Rock tonight but a scheduled banquet to kick off the immunization program would be cancelled.

Canadian health authorities urged Thursday that general use of the Sabin vaccine be suspended on recommendations of an investigating committee.

An informant said the committee was convinced four cases of polio, and possibly more, resulted from use of the vaccine. An estimated four million Canadians took the vaccine.

The Sabin vaccine is given in three doses in lumps of sugar. It employs a live polio virus.

The Canadian committee recommended that a program of immunization with Salk vaccine, which uses a dead virus, be continued vigorously.

Bost said his committee would issue an official statement on its position after the meeting tonight.

Marlar Wins Venue Change in Murder Case

TEXARKANA, Ark. (AP) — A change of venue was granted today in the first degree murder trial of Jerrell K. Marlar of Hope.

Circuit Judge Lyle Brown granted Marlar's request for the change, but said an order of removal would not be entered until it was decided where Marlar would be tried.

The case will be moved to one of the four counties within the 8th Judicial District—Clark, Hempstead, Lafayette or Nevada.

Brown said he determined in a 5-hour hearing Tuesday that Marlar couldn't receive a fair and impartial trial in Miller County.

"The evidence in this case shows overwhelmingly that the informed citizens of Miller County have implanted in their minds a definite image of Jerrell K. Marlar," the judge wrote, "namely that he is a man charged with a shocking murder, that he is a felonious jail-breaker and escaped murderer who helped to overpower and beat their deputy sheriff into unconsciousness, and that during his days and nights of freedom their lives were in potential danger."

Marlar is charged in the death of Thomas Bond of Bossier City, La., last spring. The prosecution says Bond was kidnapped in Bossier City and taken in his own car to Miller County, where he was shot to death. His body was found later in woods near Fouke, Ark.

Marlar also is charged with breaking out of the Miller County Jail. He has not entered a plea to either charge.

A woman companion, Welda Lee Derr, also is charged with first degree murder in the death of Bond. She will be tried separately.

Attorneys for Mrs. Derr, who has entered a plea of not guilty, have not asked for a change of venue.

Brazil Prime Minister, Aides Resign

By ROBERT BERRELLEZ

BRASILIA, Brazil (AP)—Prime Minister Francisco Brochado Da Rocha and his Cabinet resigned today after failing to get a wrangling Congress to approve a referendum to give full executive powers to President Joao Goulart.

The Cabinet's resignation roused fears the military might step in, abolish Congress and turn over full power to Goulart.

Brochado Da Rocha told the Chamber of Deputies he was quitting after two months because the conservative bloc in Congress had stubbornly resisted his efforts to win approval for Goulart's demands.

With elections for a new Congress only a few weeks off, the Cabinet's walkout seemed certain to plunge Latin America's largest nation deeper into political and financial difficulties.

Goulart, whose relations with Congress have worsened steadily over his drive for the powers taken from his office last year, was given little chance of finding a new prime minister who could win approval of the balky conservatives.

The president's office was reduced to a figurehead in a parliamentary system set up in a military crisis last year. Congress refused to enact economic reforms he demanded, and he sought a plebiscite during next month's elections to endorse a return to the former presidential system.

Brochado Da Rocha made a final appeal to Congress to "give the people the right which was taken away from them."

The armed guard around Congress was doubled as about 150 workers held a pro-Goulart demonstration outside. There was no violence.

Leaders of Brazil's powerful labor unions have threatened for weeks to call a general strike should Congress refuse to call a referendum. Dante Pelacani, president of the National Confederation of Industry Workers, said labor leaders would set a date for the strike later today.

In Rio Grande Do Sul province capital of Porto Alegre, home of both Goulart and Brochado Da Rocha—pro-Goulart Gen. Jair Dantas Ribeiro put his 3rd Army on the alert. Dantas Ribeiro telegraphed the war ministry that the plebiscite was the only solution to the nation's problems.

Monticello Gets New Sawmill

MONTICELLO, Ark. (AP) — A sawmill to employ 150 men at the beginning with an annual payroll of \$500,000 will be built three miles south of Monticello.

Herman Wilson Jr., of Hot Springs and Leola (Grant County) said he will build the sawmill and begin production next spring. He said he has signed a contract with the Crossell Division of Georgia-Pacific Corp. for the sale of 200 million board feet of pine sawtimber during the next 10 years.

He said he expects to buy timber from landowners in the area. Residents of Monticello will be asked to approve a \$1.1 million bond issue to finance construction of the plant, which will be leased to Georgia-Pacific and subleased to Wilson.

The bonds would be secured by the Georgia-Pacific lease.

Bulletin

WASHINGTON (AP)—An advisory committee on oral polio vaccine will meet here Saturday to review use of the Sabin vaccine in this country in view of Canada's suspension of its use.

The session is expected to produce a statement of recommendations to the head of the Public Health Service.

WASHINGTON (AP)—Sen. John McClellan, D-Ark., told executives of four steel companies today they had stepped on "the borderline of contempt of Congress" by refusing to furnish their production cost figures.

WASHINGTON (AP)—Mounting evidence of another economic pause in August was buttressed by an announcement today that last month's industrial production was unchanged from July.

WASHINGTON (AP)—President Kennedy signed today the \$900-million public works authorization bill and promptly asked Congress for funds to put it into effect.

In signing the bill before a big delegation from Congress, Kennedy called its enactment "a significant milestone in our efforts to strengthen the economy and provide a greater measure of economic security to the unemployed."

\$5 Hike in Welfare Pay Indicated

LITTLE ROCK (AP)—Gov. Orval E. Faubus announced a \$5 increase in welfare grants Thursday and now it's the Republicans' time to charge he was playing politics.

Welfare grants were boosted \$5 April 1 and Faubus opponents in the Democratic primary protested that it was a move to win votes.

Faubus certainly picked a political moment for his latest announcement. It came during his speech to the Democratic State Convention as he accepted a fifth term nomination.

Not all welfare clients will get the full increase. The 1961 legislature set a ceiling of \$5 on welfare payments and some recipients already get as much as \$2.

Faubus said later he would ask the 1963 General Assembly to boost the ceiling to \$70. This would pave the way for another \$5 increase later.

The new increase, which will be on November checks, will make the average grant \$58 for old persons, \$3 for the blind, \$48 for the permanently disabled and \$5 for dependent children.

Technically, Faubus' convention talk was an acceptance speech and with it he formally became the Democratic nominee for a fifth term. He opposes Republican Willis Ricketts of Fayetteville in the general election Nov. 6.

But Faubus took advantage of the occasion to needle Republican and cast a few barbs at Democrats on the national level. He had nothing but praise for Democrats at the state level.

The governor criticized liberals in both national parties and said some national policies might give rise to thoughts of deserting the Democratic Party.

"But where would a good Democrat go?" he asked.

About 300 persons attended the closing convention session. Faubus got three standing ovations and he was frequently interrupted by applause.

After the convention, the Democratic State Committee reelected its officers: Tom Harper of Fort Smith, chairman; Mrs. Almon Fought of Jonesboro, vice chairman, and Leon Callett of Little Rock, secretary.

Monticello Gets New Sawmill

MONTICELLO, Ark. (AP) — A sawmill to employ 150 men at the beginning with an annual payroll of \$500,000 will be built three miles south of Monticello.

Herman Wilson Jr., of Hot Springs and Leola (Grant County) said he will build the sawmill and begin production next spring. He said he has signed a contract with the Crossell Division of Georgia-Pacific Corp. for the sale of 200 million board feet of pine sawtimber during the next 10 years.

He said he expects to buy timber from landowners in the area. Residents of Monticello will be asked to approve a \$1.1 million bond issue to finance construction of the plant, which will be leased to Georgia-Pacific and subleased to Wilson.

The bonds would be secured by the Georgia-Pacific lease.

Liquor Petition Certified, Will Be on Ballot

County Clerk Dick Turnage has certified the legality of a petition calling for a local option liquor election in Bois d'Arc Township to the Board of Election Commissioners and the measure will be on the November General Election ballot.

Mr. Turnage said the 71 signers were all qualified voters and that the percentage was more than enough needed to place the issue on the ballot.

The petition was filed Sept. 5 by Leo Robins, Hope, who operates a liquor store in Texarkana. The township includes the town of Fulton and McNab.

Hempstead County is legally dry having voted out liquor in 1946. Passage would legalize the sale of beer and liquor in Bois d'Arc township only but not elsewhere in the county.

Fulton is 14 miles from here Texarkana, 32 miles away is the closest point to Hope with legal liquor sales.

House Action Today on Call of Reservists

WASHINGTON (AP) — The House Armed Services Committee gave unanimous approval today to President Kennedy's request for stand-by authority to call 150,000 Reservists to active military duty.

The action clears the way for a House vote Monday on the resolution which the Senate passed unanimously Thursday.

It that timetable is followed, it would be one of the fastest moves Congress has made in recent years on a major bill. Kennedy made his request just last Friday.

The House procedure would bar amendments that might slow down the bill's progress and force it back to the Senate. It also would require a two-thirds vote for passage, but leaders have no doubts on that score.

The Senate approved Kennedy's request after Republican dropped a drive to add to the bill language demanding a stronger position against Cuba and communism.

They were assured by Democratic leader Mike Mansfield of Montana consideration will be given later to proposals to spell out congressional support for any necessary action to stem the tide of communism in the Western Hemisphere.

Judgment by Default Is Set Aside

LITTLE ROCK (AP) — A default judgment of \$20,000 against Edward M. Paxton of Wichita, Kan., was set aside Thursday in federal District Court here because Paxton had not been notified that he had been sued.

Federal Judge J. Smith Henley then gave Paxton two weeks to reply to the suit.

Paxton said he wasn't at home during the day and never received a certified letter containing copies of the summons and complaint filed against him by R. E. Bruce of North Little Rock. The suit was filed in connection with a traffic accident Sept. 3, 1960 in Little Rock.

Bruce's attorney, Jo B. Gardner of Monett, Mo., mailed the letter to Paxton but restricted its delivery to "addressee only." Due to this restriction, the postman was not permitted to deliver the letter to Paxton's wife.

Paxton said the first notice he had of the suit was when Henley entered the default judgment against him June 30, 1961.

Paxton said he thought the letter probably came from someone desiring employment by his trucking firm. He said his wife was told he could call at the post office for the letter, but that he was unwilling to do that because it would have interrupted his work.

Goods to Red Areas Cut by Control

WASHINGTON (AP)—Tightening of the Export Control Act has produced a 20 per cent cut since July 1 in the licensing of U.S. exports to the Communist countries of Europe, Congress was told today.

However, Jack N. Behrman, assistant secretary of Commerce, testified that a multimillion-dollar shipment of 20 locomotive engines to Hungary—which stirred criticism recently—was approved because the engines were readily available to Hungary from many other sources in the free world.

Behrman told the House Select Committee on Export Control that his department's efforts to build stronger barriers against the leakage of war-potential goods to the Soviet bloc has been handicapped by lack of funds. The new money for enforcement is held up in the appropriations log jam in Congress.

The amendments to the export control law which took effect at midyear provided for sterner enforcement techniques and stiffer criminal penalties for illegal shipment or diversion of goods, and broadened the basic concept of control. The changes permit rejection of licenses for goods contributing to the economic potential, as well as the military potential, of the Soviet bloc when such shipments would be detrimental to the security and welfare of the United States.

Failed Asks, Gets Tourist Report

LITTLE ROCK (AP)—The Arkansas Publicity and Parks Commission is moving in several directions in an effort to lure European tourists to Arkansas, Director Bob Evans told a Legislative Council Committee Thursday.

Evans said a 28-minute color film, to be released shortly by Columbia Pictures, will reach Europe and most other parts of the world. The state contributed \$20,000 toward cost of the film.

In addition, Evans said, Arkansas has sent brochures to West European countries and it has compiled a list of Arkansians who speak foreign languages so the overseas visitor can be put in contact with someone who speaks his tongue.

Evans said the commission is thinking about bringing some European family to Arkansas next year to prove its assertion that a family of four can vacation in Arkansas for a week on \$100.

Evans appeared before the committee because Hempstead Rep. Talbot Feldt asked for a report on what the commission was doing to attract foreign visitors.

The Patmos PTA will meet Wednesday, Sept. 19 at 2 p.m. in the school auditorium.

Hinton H. D. Club
The Hinton Home Demonstration club met Monday, Sept. 10 in the Patmos school with the vice president, Mrs. Ruby Griffin in charge of the meeting. After the opening song, the eyepener was given by Mrs. Duncan and a shadow box was displayed by Mrs. Hinton.

Union Leader Hurls Charge at Another

WASHINGTON (AP)—One feuding officer of the International Union of Electrical Workers (IUE) charged his rival today with improper use of a union strike fund to pay union bills.

Al Hartnett, IUE secretary-treasurer, who earlier in the week notified banks to stop payment of all IUE checks lacking his personal signature, made the charge against Jaumes B. Carey, IUE president.

Hartnett said he had learned that Carey, also secretary-treasurer of the AFL-CIO Industrial Union Department, had withdrawn some \$300,000 of IUE funds that had been held in escrow and was using the money to pay IUE bills. Hartnett said this is in violation of the IUE constitution.

The feud between the two men has been growing steadily for more than a year. It has been punctuated at times by fistfights. Their personal controversy appears to be heading for a showdown at the IUE convention opening at Cleveland, Ohio, Monday.

Hartnett told a news conference his action last Monday in notifying banks to honor only IUE checks bearing his personal signature was taken because checks had been drawn without his knowledge and with the use of his facsimile signature.

The IUE secretary-treasurer also said that the union's financial statement has been refused approval by the union's accounting firm, Main & Co., which he said questioned certain expenditures and also has resigned as the IUE auditing firm.

The \$300,000 strike fund was raised by the IUE from its own funds, from contributions from its locals and individual IUE members to support the steelworkers' union strike in 1959. The steelworkers returned the sum unpaid after the strike.

Hartnett said Carey's withdrawal of the \$300,000 violates IUE constitutional provisions requiring that "all checks of the union must bear the signatures of the president and the secretary-treasurer."

Hartnett said the items questioned by the auditors amounted to about \$100,000. He quoted the audit firm's report as saying it could not approve certain organizational and field staff expense accounts indicating "substantial overstatements and/or misrepresentations."

ing the devotion, "Eyes of God." After a routine business meeting, Mrs. Neil Osborn presented the program entitled "Wardrobe Dollars and Sense." Home Demonstration Agent Mrs. Bettie Duncan joined the group for this meeting.

Salad and cheese wafers were served with coffee during the refreshment hour. The October meeting will be Mrs. Fred Hunt.

Coming and Going
Mr. and Mrs. Gilbert O'Dell of New Boston, Texas formerly of Hope took their son, Johnny to Searcy Sunday where he enrolled in Harding College.

Dr. and Mrs. Jim McKenzie have as weekend guest, Mike Chambers of Sheffield, England.

Miss Suzanne McNeill of L.R. is spending the weekend in Hope.

Mr. and Mrs. Wayne Collins

Altar bouquets and baskets of white gladioli and lavender pom-pom chrysanthemums formed a background in the First Lutheran Church of North Platte, Nebraska, for the wedding of Miss Donna Lou Weldon, daughter of Mr. and Mrs. Donald L. Weldon of North Platte, Neb., and Wayne Collins, son of Mr. and Mrs. Dorsey Collins of Hope.

The Rev. Marvin Suhr officiated at the Aug. 24 nuptials and Mrs. Francis Wilson served as organist, both of North Platte. Escorted by her father, the bride wore a nylon net and lace gown of which the lace tulle overskirt fell into a cathedral train. Her veil was attached to Mrs. double tiara of seed pearls and jewels. She carried a bouquet of white roses and stephanotis.

A reception followed in the church parlors. The bride's table featured a lavender theme, with twisted tapers in three-tiered candleholders, and net ruffling encircling the wedding cake. Taking part in the reception were Mrs. Frank Nelson, grandmother of the bride, Mrs. Dillon McQuay, Ogallala, aunt of the bride, Mrs. Andy Collins, Mrs. Billy Collins, and Misses Gert Lou Preece and Star Clapper.

The couple will live in North Platte.

DOROTHY DIX

She Loves Her Husband But —

By HELEN WORDEN ERSKINE

Dear Helen: My husband and I have been married less than a year. He's a wonderful guy; warm-hearted, spontaneous and out-going, like a friendly puppy. Popular at the office, welcome wherever he shows up.

But he is also thoughtless. Recently he has taken to stopping off for a beer after work. That's okay for me. I don't want him to be tied to my apron strings. If we're to be happy, we both must feel free to come and go without sharp words or black looks. But I do think each should know where the other is; otherwise, and maybe this is silly, I worry.

For instance, I had dinner all ready last Monday night — pretty table, his favorite dishes. Six-thirty, seven, seven-thirty and no husband. I pictured him as having been in an auto accident, hit by a mugger or suddenly taken ill and lying unconscious in some hospital, unable to let me know the worst.

I was just about to phone the police when he walked blithely as a lark, gave me a kiss, hung up his hat and said, "Dinner ready? I'm hungry tonight."

Then he glanced at his wrist-watch. "Gee, time sure does fly. Here it is 8:30 I should have phoned you honey but I'd stopped off for a beer with the boys."

I wasn't mad — just hurt and

weak from worry. The other fault is more serious. My husband is a very poor driver. His mind wanders; he talks, gesticulates — hands off the wheel, eyes off the road. I sit there in silence, nervous as a cat, and suffering the tortures of the damned for, if I do say it myself, I'm a good driver. My husband doesn't want me at the wheel.

I loathe backseat drivers so, unless it's a matter of absolute necessity, I stay home. This takes a lot of the fun out of life for both of us. How can I correct these two faults of his? Should I put my foot down or what? — Bewildered Wife.

Dear Bewildered: You're finding out that your husband isn't perfect. This is usual in married life. Maybe he's discovering the same thing about you but, if your love is mutual and strong, these problems can all be ironed out.

If, by putting your foot down, you mean to give him a piece of your mind, that would be fatal. As a wife you must learn the art of reforming your husband without destroying the delicate relationship of a happy marriage.

Since your husband is out-going, he may be reached through friendly, affectionate talks. Preface them by saying we are all prone to be thoughtless at times of those we love, then launch into his failings — for goodness' sake, don't refer to them as faults! If

Dog Gets Goat, Owner Gets Fined

LONDON (AP) — American oil millionaire Paul Getty paid a fine of 5 pounds—\$14—because his dog attacked a calf.

Witnesses said Getty was out walking with one of his pack of seven dogs near his palatial home, Sutton Place, in nearby County Surrey.

The dog jumped a fence and went after a farmer's calf.

Getty expressed regret and offered to pay compensation to the farmer.

A Magistrate's Court was told that the oilman had found a new home for the dog.

You want him to by-pass the tavern, give him a drink at home. Create diversions. Use the light touch.

Ask him to let you take turns at the wheel. If he won't remember a good driver should be able to relax when someone else drives, never forget — marriage is a partnership!

Dear Helen: May I make this suggestion to wives of alcoholics? Join an Al-Anon family group even if your husband won't accept AA himself. Locate the one nearest you by calling the A.A. Central office. Many a wife — I was one — will find their husbands voluntarily seeking AA help after they begin to take a new lease on life themselves through Al-Anon.

I followed the same road as "Lonely" whose appealing letter recently appeared in your column. There is always hope! — E. Lynwood, Calif.

Dear E.: "Guideposts" published an article on this very subject not long ago which is well worth reading. Copies of it may be had by writing to Al-Anon Family Group Headquarters, P. O. Box 182, New York 10, New York.

Two very dear friends of mine, Fulton and Grace Oursler, now both gone, were the founders of Guideposts, so it has a special place in my heart. Among his many books was "The Greatest Story Ever Told," which every Bible-lover should read.

Send your problem to Helen Worden Erskine. Be sure to enclose a stamped, self-addressed envelope and address her care of this newspaper. Helpful leaflets available. Write for "Ideal Husband."

Blockade of Cuba, Asked by Goldwater

RICHMOND, Va. (AP) — Sen. Barry Goldwater, R-Ariz., said today a selective blockade by the United States and friendly Latin-American countries should be the next step in the Cuban situation.

Goldwater's comment on blocking any foreign ships carrying Soviet equipment to Cuba came at a press conference preceding a meeting with Richmond area Republicans.

"Every place I travel, Cuba is the No. 1 issue," he said. "The American people are miles ahead of their government as to what should be done. I can tell the President that the American people would like to liberate the people of Cuba and remove the threat of communism from the Western Hemisphere."

Goldwater told a newsman he does not see any valid reason for the President's asking for standby power to call up 150,000 military reserves.

The Arizona senator said President Kennedy would have been better off by asking for authority for an unlimited callup.

"I can't imagine that 150,000 men are going to scare the hell out of Soviet Premier Khrushchev," said Goldwater.

If the President had asked for authority to call up half a million men that would have had a psychological or diplomatic effect, Goldwater added.

Goldwater said there is apprehension through the country as to what will happen if Cuba is used as an arms warehouse to supply Communists in Latin-American countries and isolate America.

He said there is only one way in which an all-out war could come "and that is for the United States to keep backing away from

Skybolt Missile Try a Failure

CAPE CANAVERAL, Fla. (AP) — The Air Force Skybolt air-launched ballistic missile failed today—the third time in as many launchings. It was destroyed by the range safety officer after being dropped from beneath the wing of a B-52 bomber.

Officials announced the Skybolt ignited successfully but then veered off course and had to be destroyed. The B-52 was at an altitude of more than five miles and several miles off the Florida coast when it unleashed the missile.

Skybolt is intended to become the most mobile nuclear rocket in the free world arsenal. When operational, hopefully in about two years, the United States plans to mount four Skybolts on each of 300 B-52 bombers, and Britain will employ two missiles on each of several Vulcan Mark II bombers. The missile will have a range of more than 1,000 miles.

Tri-County Lake, a 300 acre man lake near Fordyce, is an outstanding recreational spot.

The Air Force Base at Blytheville, abandoned after World War was reactivated in 1954.

areas of trouble."

Peace can be maintained only by this nation's demonstrating to Khrushchev that it is not going to be pushed around and that it does not like shipment of equipment to Cuba, Goldwater added.

"We should tell him in no uncertain terms: 'You stop it or we're going to stop you from bringing it in.'"

Yanks Idle But Manager Is Not Worried

By JIM HACKLEMAN
Associated Press Sports Writer

"They laughed when Ralph Houk sat back and said: 'What, me worry?'"

While his New York Yankees were moving sluggishly along in the American League race the past few weeks, in the lead but struggling to stay there against the challenges of the Los Angeles Angels and Minnesota Twins, Houk said over and over:

"I'm not worried. Things will straighten out. They haven't caught us yet."

From the looks of things, they aren't going to.

As the Yanks took Thursday off, the Twins and Angels played another session of leap frog with second place. Minnesota took over the runner-up spot by scoring a 5-1 victory over Chicago while Los Angeles was trimmed by Kansas City 5-4.

Though the Twins' first victory in their last five games edged them up a bit, they're still five games behind the Yankees. The Angels, four games out and rolling only three days ago, are 5 1/2 behind.

Also in the AL, Baltimore overwhelmed Washington 7-1 and Detroit bombed Boston 14-6 in the opening game of their double-header, with the second game—the last meeting scheduled between the two clubs this year—cancelled because of rain after 2 1/2 innings. Cleveland was idle.

In the only two National League games, Cincinnati whipped San Francisco 7-2, dumping the Giants two full games behind first-place Los Angeles, and Philadelphia shaded Milwaukee 2-1.

Jack Kralick was a winning pitcher for the first time since his no-hitter over Kansas City Aug. 2 as the Twins ended the White Sox' five-game winning string. The left-hander turned in an eight-inning, did not walk a man and struck out six, Minnesota's John Buzhardt for four runs in the first three innings, one scoring on George Banks' sacrifice fly, another on Zoilo Versalles' triple and two on Bob Allison's bases-loaded single.

A two-run rally in the eighth inning brought the Athletics their victory over the Angels, with Gino Cimoli's third hit of the day knocking in the clincher.

Mary Breeding, Jackie Brandt and pitcher Chuck Estrada all homered in the Orioles' romp against the Senators. Estrada turned in a seven-inning and blanked Washington over the first seven innings.

The Senators' controversy-prone center fielder, Jim Piersall, was involved in an unscheduled pregame show. He went into the stands after a heckling fan and although police intervention prevented any blows, both Piersall and the spectator were arrested on disorderly conduct charges. They were released after posting collateral and returned to the ballpark, but Piersall did not play.

The Tigers erupted from a four-game string of losses with a home run barrage against the Red Sox as Jim Bunning won his 17th. Rocky Colavito and Norm Cash each hit his 3th homer, while Al Kaline and Chico Fernandez had a three-run homer apiece.

Defeat Drops Giants 2 Games Out of First

By MIKE RATHET
Associated Press Sports Writer

From the time Willie Mays started running out from under his baseball cap on a fulltime basis eight years ago, the Giants never have won a game in which the name Mays did not appear in the line-up.

They met with similar success Thursday night.

Willie lay in a hospital bed undergoing tests to determine why he collapsed in Wednesday's game, Cincinnati dealt San Francisco's National League pennant hopes a stiff jolt as Jim O'Toole pitched a four-hitter for a 7-2 victory over the Giants.

The defeat dropped the second-place Giants two games behind the front-running Los Angeles Dodgers, who were not scheduled. Both teams have 15 games remaining to play. The defending champion Reds, in third place five games back, have 13 games left.

The Mays case remained somewhat of a mystery.

The slugging San Franciscan, major league home run leader with 43, blacked out in the third inning of the opener of the two-game series—the last meeting between any of the contenders for the NL flag.

Manager Al Dark said there was no apparent indication of what felled Mays. Cincinnati team physician Dr. George Ballou said it apparently was acute indigestion. Giants vice president Chas. Peeney said "He's feeling fine, but the doctors want him to stay in the hospital."

The 31-year-old center fielder, who has missed only about 15 games since he came out of the army in 1954 and joined the Giants on a fulltime basis, was scheduled to fly from Cincinnati for tonight's game at Pittsburgh, after the tests were concluded.

The Dodgers also received good news about ailing 24-game winner Don Drysdale, who injured a rib Monday night against Chicago. Manager Walt Alston said Drysdale will pitch Saturday.

One other game was scheduled in the NL Thursday. Philadelphia beat, Warren Spahn and Milwaukee 2-1 on John Callison's ninth inning homer.

In the American League, Minnesota climbed back into second place by beating the Chicago White Sox 5-1 as Kansas City dropped the Los Angeles Angels to third with a 5-4 victory. Baltimore whipped Washington 7-1 and Detroit walloped Boston 14-6 in the opener of a doubleheader. The second game was canceled due to rain. New York and Cleveland were idle.

O'Toole (16-13) was almost untouchable against the Giants until he had a big enough lead to let up a bit. He was tagged for a double by Harvey Kuenn in the first inning and then didn't allow San Francisco another hit until the eighth. By that time the Reds were leading 4-0.

Cincinnati jumped ahead in the second inning when Frank Robinson doubled and Wally Post homered off Mike McCormick (5-4).

In the Braves-Phillies game, Milwaukee scored in the fifth on a walk and two singles and Philadelphia evened it in the seventh with the same production. Callison's homer with one out in the ninth decided it. Chris Short (10-8) was the winner with Spahn (14-14) taking the loss.

1st Statewide Export Meet May Pay Off

By BILL SIMMONS

LITTLE ROCK (AP)—The first statewide Arkansas Export Expansion Conference, held in Little Rock Wednesday, may produce the biggest market in the history of the state.

Several dozen of the bigger businessmen and farm leaders in Arkansas were among the 100 persons who attended the conference. Some of them expounded on the benefits of the export business, its problems and methods of improving the export situation.

All of them listened and they seemed to like what they heard. If the export business seems a bit remote to landlocked Arkansas, then it would be best to establish at this point that there is a need for consideration of the export trade by Arkansans.

Arkansas shipped enough rice, soybean products and cotton to foreign nations last year to bring \$12 million into the state. And that figure does not include the export of livestock, poultry or other products. Bundle it all together and Arkansas reaped well over \$200 million as a result of trade on world markets.

Presently goods are traded on world markets by two methods,

QB Excused Until Game With Okla.

FAYETTEVILLE, Ark. (AP)—

Injured quarterback Billy Moore was excused by Coach Frank Broyles Thursday from any contact work before the Arkansas Razorback opener against Oklahoma State in Little Rock Sept. 22.

Broyles' decision to hold the nifty little signal caller from Little Rock out of action means Moore will start his senior season with only 10 minutes of all scrimmage work behind him.

Moore suffered a cracked rib shortly after the first contact drill started last week.

Broyles said Moore's inactivity means he will go into the Oklahoma State game fresh but that he might be rusty on mechanics.

He said Moore needed work on ball-handling and running.

Moore is the key man in Broyles' new flipflop offense. Arkansas has no experienced quarterback behind him.

The Razorbacks worked out in sunshine and 90-degree temperatures for the third straight day Thursday. Broyles said the hot weather was helping get the Porkers in condition "They lasted a bit longer on agility drills today," he said.

Broyles has a conditioning problem because of rain and cool weather during the first 10 days of fall practice.

For the first time Thursday, Broyles worked his three varsity teams as units. He had all three teams practicing in red shirts. In prior years, only two teams—the Big Red and Wild Hog units—have worn red practice shirts.

This year Broyles has added a team of offensive specialists—the Tush Hogs.

Broyles scheduled a scrimmage game for Saturday. It will be closed to the general public, but students, faculty members and Razorback Club members can attend.

Dave Walston, a Wild Hog guard, suffered minor eye and chin cuts in dummy scrimmage Thursday. Gene Beutelschies, a Tush Hog guard, was out with a stomach ailment.

manager of the Refining Division of the Aluminum Co. of America, presided at a panel discussion on experiences of Arkansas firms exporting to foreign countries.

Among the businessmen who reviewed their experiences were L. C. Carter of Stuttgart, executive vice president of the Arkansas Rice Growers Cooperative Association and the Arkansas Grain Corp.

Carter said he was "very much impressed."

Representatives of other growing concerns in Arkansas were equally pleased, including men from Ben Pearson, Inc., the Daisy Manufacturing Co. of Rogers, and top officials of the State Chamber of Commerce.

Carter said the biggest problem facing Arkansas farmers and businessmen who wish to export their goods is the problem of transportation.

What is the solution to the problem?

"The Arkansas River Basin, Carter said.

"The importance of the development of the Arkansas River Basin hasn't been brought home to most people," he said. "Transportation is much more of a problem than people realize."

Old Rivals To Kick Off Home Season at 8

By VINCE FOSTER

Friday night the AAA Home Bobcats play host to their old rival, the DeQueen Leopards. The kick-off will take place at 8 p.m. in Hammond Stadium. This game should prove to be one of the best of the season, since the Leopards and the Bobcats are rated among the top teams in the state.

After stemming Mena 20-0 in the season opener, DeQueen found themselves on the short side of a 13-6 struggle with Big S skunked Hot Springs. As a result, the Leo-

Mr. Varsity Wallops Arkadelphia

By VINCE FOSTER

The Hope Junior Varsity team showed no mercy Thursday night as they soundly whipped Arkadelphia 22-0 at Hammond Stadium in their season opener.

Scoring took place in all quarters except the first for Coach Glenn Ballard's boys. QB Bud Jordan kept for five yards in the second quarter for the opening.

Yocum's defensive play with help from Butler, Beggs, Beyerley, Walker and Vaughn, to stop DeQueen's offensive attack.

Support the Bobcats in the first home game as they take revenge for a '61 loss of 15-7 and prove themselves worthy of their high rating.

John Scott Andrews, Junior Harris and Jimmy Johnson were defensive standouts. The starting lineup was: LE Dale Mayfield, LT Harry Ray McManen, LG Floyd Sprague, C Dick Willis, RG Tommy Sill, RT Paul Guerin, RE George Wright, QB Bud Jordan, LB Sonny Williams and Billy Barber, FB Johnny Samuels, RB Virgil McNeil and Jerry Waller.

TD. His try for the PAT failed. Later in that quarter HB Sonny Williams scampered over from the six for the second tally. Jordan's kick for the extra point was good. The score at the half was Hope 13, Arkadelphia 0.

Jordan passed to Dale Mayfield on a 1 yard play to score the third TD. The attempted point after failed. Later in that period Jordan hit Jerry Waller on a pass play that covered five yards for another tally. Jordan's kick was good. The final score came on Johnny Samuels' five yard burst with the PAT being 32, Arkadelphia 0.

In 1941, Hernandez DeSoto and his followed arrived in Arkansas, the first white man to visit here, and spent nearly a year in explorations.

Orval Brannan

Phillip Gilliam

LACKLAND AFB, Tex. — Two Hope, Ark., men are being re-assigned to new bases to attend technical training courses following completion of United States Air Force basic military training here.

They are Airman Basic Orval F. Brannan, son of Mr. and Mrs. Alfred D. Brannan of 400 S. Brannan St., Hope, and Airman Basic Phillip A. Gilliam, son of Mr. and Mrs. Guy E. Basye of 1020 E. Third St., Hope.

Airman Brannan will attend a course for air-armorment mechanics at Lowry AFB, Colo.

Airman Gilliam will go to Keesler AFB, Miss., to attend a course for radio and radar maintenance specialists.

Bobkittens Come From Behind, Win

By VINCE FOSTER

The Hope Junior Bobkittens, coached by Billy Mitchell came from behind to whip the Prescott Curly Cubs 18-6 with all the scoring taking place in the final quarter. Kitten Bobby Samuels took 20 yards for the second tally. Larry May intercepted a Prescott pass with a minute left to score the final Kitten TD.

The game, played at Prescott, was full of fumbles and penalties in an entirely defensive game until the final period. In the final half there were fumbles at and crucial times to stymie the offensive drives.

Later in the third quarter the Kittens fumbled a punt on their own 38, which started Prescott on their lone TD drive. Early in the fourth quarter Rouse carried for 10 to set up QB Anderson's 26 yard scoring scamper. The attempted run for the PAT failed.

The tired up Bobcats went to work then, and local QB Sammy Strong set up the first TD win a 37 yard pass to end Ronnie Ingram. Plays later Strong tossed another, thus time a 20 yarder to Bobby Samuels who covered the remaining distance. As did the others, this try for the extra point failed.

A 36 yard pass to end Eddie Ashin set up Samuels' second score. He finally wore his way over from the edge. On the first play after that kickoff, Prescott's passer became confused and tossed the ball to Hope defensive end Larry May who easily covered the remaining 34 yards. The final score: Hope 18, Prescott 6.

Steed led Prescott in rushing with 28, while Kitten Samuels had 37. The teams were equal with 50 yards rushing each, but Hope took the passing honors with 93 yards to zero. White and Duke led the Juniors on defense. The starting lineup was QB Strong, FB Bai, HB Samuels, HB Pardue, Ennis Aslin and Ingram, Tackles, Lawrence and Moses, Guards, May and Duke and Center, Balson.

Bids Are Opened

Fishing Around Arkansas Lakes

LITTLE ROCK (AP)—Here is a

fishing forecast from the Arkan-

sas Game and Fish Commission:

Lake Conway: Water clear and

1.2 feet above normal. All gates

closed. Bass and crappie fair on

crickets and worms.

Lake Greason: No report.

Lake Catherine: Water slightly

dingy and normal. Bass fair on

artificial bait. Crappie fair on

minnows. Bream fair on worms.

Lake Ouachita: Upper end

dingy. Bass fair on artificial bait.

Crappie fair at night on minnows.

Lake Maumelle: Water clear

and normal. Bass fair to good on

live minnows, also fair to good on

topwater plugs early and late and

on artificial worms fishing deep.

Bull Shoals Lake: Water low

and clear. Black bass fair on

crayfish and minnows trolling.

Crappie, white bass and trout

good at night under lights.

Lake Hamilton: Water good

artificial oar. Crappie good on

artificial bait. Crappie good on

minnows. Bream good on crick-

ets and worms.

Lake Norfork: Water clear.

Black bass fair daytime on cray-

fish and fair at night on jigs, eels

and plastic worms. Crappie and

white bass fair on minnows at

night under lights.

Lake Nimrod: Water clear and

normal. Bass and crappie fair on

live minnows, fishing deep.

Science Is Excited on Talk Machine

By HAL BOYLE

NEW YORK (AP)—Science is excited about the future of machines that talk.

Color heads are more concerned with what the machines will have to say. They also raise the question of whether the potential market for mechanical talking machines isn't rather small.

To many of us, a verbal robot calls pretty much in the same category as a talking horse, bird, dog or wife. When you've heard one, you've heard 'em all. The first feeling of astonishment quickly gives way to enmity as you discover their vocabulary and observations are, on the whole, limited and repetitive.

For example, the world record gathered conversationalist was probably "Sandy Pauls," a yellow, brown-beaked budgerigar, which died in Middlesex, England, 1959 at the age of 7.

This talkative bird—it will surprise few to learn that "Sandy" was a female—could speak more than 300 different words and recite 12 nursery rhymes.

A cursory glance at the latest edition of "Bartlett's Quotations," however, fails to find that "San-

FRONT ROW, LEFT TO RIGHT: JAMES MARCUM, Charles Beyerley, Dan Jones, Richard McDowell, Kendall Yocom, Tony Purdie, Jerry Burnett, Larry Thrash, Maurice Sullivan, Chuck Beggs and Earl Ray Murphy.

SECOND ROW, LEFT TO RIGHT: JIMMY WALKER, JACK Jackson, Jerry Goad, Ricky Butler, Donnie Vaughn, Billy Aldridge, Roy Way, Jewell Still, Jack Russell and Larry Cook.

THIRD ROW, LEFT TO RIGHT: JOE MORTON, JOHN Hughes, Buddy Jordan, Mac McLarty, Harry Ray McMahan, Mutt Wassell, Gary Mayfield, David Porterfield, Gene Davis, Paul Guerin and Johnny Anthony.

FOURTH ROW, LEFT TO RIGHT: GEORGE WRIGHT, John Andrews, Virgil McNatt, Ronnie Phillips, Charles Beard, Tommy Parris, Junior Hargis, Sonny Williams, Dale Mayfield and Floyd Sprague.

BACK ROW, LEFT TO RIGHT: TEAM MANAGER George Jones, Billy Barber, Pat Schooley, Jerry Waller, Johnny Samuels, Dick Willis, Tommy Still, Ronny Faulkner and team manager Micky Baber.

dy" ever said anything truly memorable. And how many days in a row would you like to be awakened by a brown-beaked budgerigar squawking "Mary had a little lamb," or "London Bridge is falling down"?

It is quite likely, of course, that science can come up with a metallic talking machine with a really large vocabulary, one capable of making original remarks and perhaps even able to give us sound advice.

But, again, who really needs it or wants it?

People have a built-in resistance against taking sound advice, and they resent cleverness and wit in others. Any electronic wisecracking robot that tried to be the life of a cocktail party would quickly be silenced by having sand flung in its gears, or gin poured down its vocal hinges.

There might be some value in a

talking machine that would listen to what we had to say, but restricted its own conversation to phrases of agreement and encouragement.

Sample sentences:

"I feel exactly the same as you do about the whole matter, but I could never hope to say it as well."

"I couldn't agree with you more."

"No, I insist. You bought the last round. This one's on me."

"You're absolutely right. They are all crooks."

"Your trouble is—you're too good to them. But do they appreciate you? Not them!"

But such a machine in time would develop rust spots and wear out. It then would break into your tale of woe with such insane chatter as:

"You couldn't agree with me more!"

"Your trouble is you appreciate

Mays Illness Is Blow to Giants

CINCINNATI, Ohio (AP)—Willie Mays, the San Francisco Giants' slugging centerfielder, remained at Christ Hospital today and manager Alvin Dark said he had no idea when Mays would play again.

Mays became ill of indigestion while sitting on the bench during the third inning of Wednesday night's game between the Giants and the third-place Cincinnati Reds. The Reds beat the second-place Giants 4-1.

Hospital attaches said today Mays had a comfortable night. His condition was listed as fair.

Another casualty of the game, the Reds' star pitcher Joey Jay, fared better.

Jay suffered a bruised index finger on his right hand during the fifth inning while trying to stop Chuck Hiller's line drive.

He left the game and was sent to Christ Hospital for examination. Sources close to the Reds said he

you too much."

"You're all crooks. I bought the last round. This one is on you."

And all you could do would be to hit it with an ax—and send it to the junk heap.

No, the world doesn't need better automatic talking machines.

What man needs is simply more silent machines that will do more of his work for him—and keep their big mouths shut!

Rice Likely to Be Tough as Usual

(This is another in a series discussing Southwest Conference football prospects)

Rice

HOUSTON, Tex. (AP) — Jess Neely's first Rice team in 1940 ran the single-wing, with which he had enjoyed success at Clemson. Soon the Owls joined the trend of the switch to the T formation.

But this fall Rice will have what could be termed a "first cousin" of the single wing—the wing-T.

Neely was a bit surprised at all the furor caused by his facelifted job.

Actually, the change involves activities of only two positions—instead of left half and right half, the two halfbacks will be known as tailback and wingback.

But it has sparked interest in the Owls by the possible advantages of the alterations for basically a rather green Rice team that hopes to overcome some problems and qualify as a strong contender in the Southwest Conference.

was not seriously hurt and probably would not miss a pitching turn.

The Reds and Giants meet again tonight.

tender in the Southwest Conference.

The Rice offense has Randall Kerbow or his tailback alternates always being the deep back aligned with the fullback (Paul Pipes) at the top of the T, whether the formation is wing left or wing right. Meanwhile, wingback Wayne McClelland or his alternates always will be on the wing (set outside the end of either side) or in the slot (between end and tackle).

The move was made to get both stellar quarterback of the 1960 and 1961 teams, Billy Cox and Kerbow, in the same starting backfield and put the versatile Kerbow in a spot where his exceptional running talents can be used to greater advantage but still able to strike by air with the running pass threat.

Veteran observers consider this a wise move on the part of Neely for getting maximum efficiency from Cox and Kerbow, two exceptional backs, who in sharing the man-under duties for two seasons have guided the Owls to 7-3 records and appearances in major bowl games.

Aside from the Cox-Kerbow duo, the Owl backfield talent is extremely green. Jerry Candler is the only other returning letterman and currently he's on the second unit behind McClelland, who is rated the better blocker for the wingback spot.

Three rugged sophomore fullbacks — Piper, Jim Martins and Russ Wayt—all shape up as capable of handling that post well. Cox will have a skilled, if inexperienced, understudy in sophomore Walter McReynolds. Ronnie Graham, senior squadman, has a slight edge in the contest for the understudy role to Kerbow.

The Owls appear quite formidable in the line, except at the vital tackle spots where there is good talent but no experience. Big John Mims is the only tackle letterman on hand but newcomers Larry Stewart, Louis Mazzurana and Richard Bow look like they can make out okay.

Rice expects fine work from Gene Raesz and John Sylvester at end and letterman Jerry Kelley heads a good cast of replacements. Mike Fritsch at guard could be the conference's top interior lineman as a junior, and Will Hubbard is an able starter at guard with senior lettermen Johnny Nichols and Kenny Williams as solid relief men. Center should be well handled by senior lettermen Dan Malin and Johnny Cole, with blue chip soph Malcom Walker a big help.

Fishing and hunting facilities are provided at seven landings on Lake Conway.

Coaches Have Background of Experience

John Pierce, beginning his fifth year as Head Coach at Hope High School, was an all-district and all-state center in his high school days at Crossett. He then attended Southern State, where he made the All-AIC team his senior year. After his graduation in 1952, he immediately began his coaching career at Hope.

Working his way up for six years, Pierce finally became Head Coach here in 1953 and then produced the first undefeated and untied team in Bobcat history. The next year his team took a second consecutive 4AA title. He has a four year record at Hope 23-20-2.

Couch Pierce married the former Miss Donna Rich of Stuttgart, and they have three boys - Mark 10; Gary 5; and Don, a year and a half. Pierce teaches physical education in addition to coaching the Bobcats.

Gordon Beasley

The line coach for the 1962 Bobcats is Gordon Beasley, Hope High School graduate of 1951. Beasley coached the Hope Junior Bobkittens to a 4-2 season in his first year here 1957. After coaching the Junior Varsity team in '58 he went on to coach the '59 and '60 Bobkittens to two consecutive undefeated seasons. He also coached the senior girls' basketball team in '58 and '59.

Coach Beasley was an end at Henderson and graduated from there in 1955, after which he coached a year in Bearden and a year in Morrilton.

Gordon Beasley married the former Betty Guthrie of Hope, and they have two daughters, Jill is five and Stacy who is two months. Beasley starts his third year as Junior High principal this year.

Billy Mitchell

Billy Mitchell begins his second year as Hope Junior Coach this season. Last year his Bobkittens finished the year with a six and one record. Mitchell graduated from Hope High School in 1951 and was a letterman in basketball here. He attended H. S. T. C. and graduated from there in 1956. Coach Mitchell coached a year at Spring Hill before joining the Hope coaching staff in 1959.

Mitchell married the former Vivian Tommemaker in 1960. He teaches Geometry and Business Math plus coaching senior boys' basketball.

Horse Eats Top of Concertible

MIAMI, Fla. (AP)—A horse ate the convertible top of Clayton A. Walter's automobile.

Police said Walter, an insurance collector, was parked in front of William T. Rosewell's home on business when Rosewell's horse sauntered past.

The horse punched its nose through the soft top, liked the taste and ripped off the canvas strip by strip.

Livestock experts theorized the top had been treated with a dressing that tasted like salt or sugar—or maybe hay.

Cotton Mill to Double in Size

MORRILTON, Ark. (AP)—Plans to double the size of the Arkansas Cotton Mills plant at Morrilton were announced Wednesday.

Company officials said the expansion is to be financed with a revenue bond issue provided for under Act 9 of 1960. The date and amount of the issue were not announced.

Floor space in the plant, officials said, would be increased about 70 per cent, the number of employees would be upped by 7 per cent and the payroll increased by 2 per cent. There are now 300 employees at the plant.

A plant spokesman said the number of looms in the plant would be increased from 31 to 1,195.

Glenn Ballard

Glenn Ballard, in his first year as a coach, heads the Junior Varsity squad this season. Ballard graduated from high school at Bismark, Arkansas in 1956 with three basketball letters and two football letters. After a short stay at the University of Texas, Coach Ballard attended and graduated from Ouachita College in 1962 with a major in physical education and music.

Ballard married the former Peggy Shirley of Jones Mill, Ark. in 1960. Mrs. Ballard is the girls' basketball and physical education instructor. In addition to coaching the Junior Varsity team, Ballard will teach driver's education and choir plus coaching junior high basketball and track.

One of the states most unusual industries, located at Emmet, is the Huntington Buggy Works, one of the few builders of horse drawn vehicles operating today.

For Many the Hunt Season Opens Sat.

By THE ASSOCIATED PRESS

For thousands of Arkansans, the "real" hunting season opens Saturday.

That's the date squirrel hunting becomes legal in the area north of U. S. Highway 4, which roughly bisects Arkansas on a line between Fort Smith and West Memphis.

The remainder of the state becomes open for squirrel shooting October 1.

Squirrels are probably the most universally hunted of all Arkansas game.

Squirrel hunters include the kid in overalls with a single shot .22 rifle as well as the experienced sportsman with an expensive shotgun. It's a popular sport with women, too.

Game and Fish Commission officials say that about 200,000 resident hunting licenses are sold in a good year.

Most of those buying hunting licenses will do some squirrel hunting. Many are squirrel hunters only.

Several qualities give the bushy-tailed rodent top billing among Arkansas hunters.

First, squirrels are found in huntable numbers in almost every section of the state. Most people like to hunt in deep woods, but quite often good shooting can be found in a small patch of trees. Especially if there is a nearby cornfield.

The food supply is the most important factor in determining the location of squirrels. The little animals will migrate at the drop of an acorn, and certainly won't dally if food is scarce.

It may be difficult to find concentrations of squirrels this season, since a good crop of mast is available in most sections of the state.

Another attraction in this sport is that squirrels can be hunted according to the tastes of the hunter. Early in the season, while leaves remain on the trees, still hunting is favored.

In this man-vs.-squirrel duel, success goes to the patient and stealthy. A squirrel on guard is almost impossible to locate; but an unwary squirrel is a noisy, quarrelsome critter—easy to see and shoot. Foliage in the trees gives the still hunter a slight edge.

Later in the season, when leaves are on the ground, the still hunters' chances are reduced. The man who hunts with dogs has the

Constitutional Changes Polled

LITTLE ROCK (AP)—The Arkansas State Chamber of Commerce is polling its members to see how they feel about constitutional changes in the works.

Poll ballots were mailed Tuesday seeking opinions on five proposed constitutional amendments, an initiated act and a referred act to be on the Nov. 6 general election ballot.

The ballots are to be returned by Sept. 15 for counting.

Two amendments, put on the ballot by petition, would require that the state Teacher Retirement System be kept actuarially sound and permit use of voting machines.

Three were proposed by the 1961 legislature. They would guarantee that no child is required to attend an integrated school if such attendance would be inimical to his welfare, permit increasing salaries of state and county officials and permit cities to raise their own tax rates.

The initiated act would require that a minimum of 50 per cent of general revenues be allocated to public schools. The referred act is a 1961 measure to create a Motor Vehicle Commission.

Atkins Man Dies in Car Wreck

CLARKSVILLE, Ark. (AP)—David Allen Dolan, 21, of Atkins, was killed Wednesday night when a car in which he was riding overturned on U.S. Highway 4 three miles west of Clarksville.

State Police said the car was traveling east, came out of a turn and overturned. Officers said they could not determine who was the driver of the car.

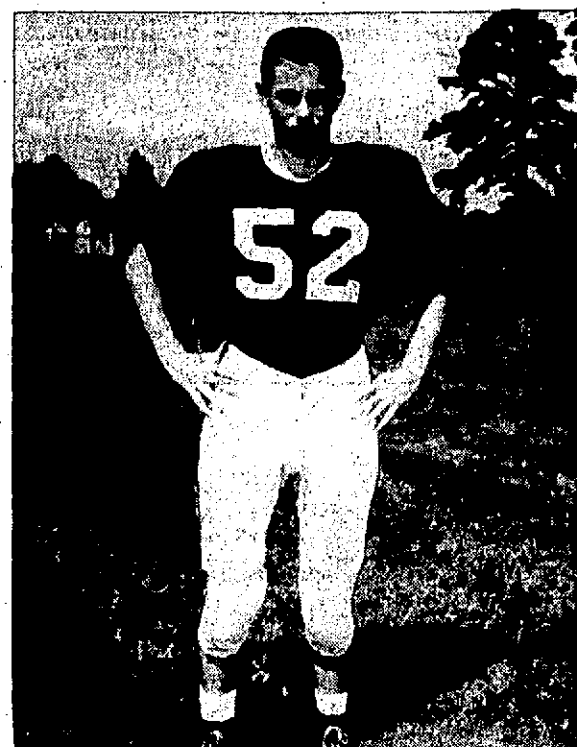

Also in the car was John Wesley Teunton, 25, of North Little Rock, who was taken to a Clarksville hospital for treatment of his injuries. The extent of his injuries could not be immediately determined.

Small industrial plants flourish from Alexandria to Aswan, Egypt. Among other things, they make refrigerators, transistor radios and automatic washing machines.

edge. A "treed" squirrel can be seen, unless the tree is hollow. Squirrels make a tasty table dish in any season—fried, stewed or with dumplings.

Timing of the squirrel season enhances its popularity. Crisp autumn days encourage an outing anytime, not that a hunter needs an excuse.

Griffin Loses Out in Voting in Georgia

By O. P. HANES

ATLANTA (AP)—Carl E. Sanders, a bold young man who entered the race last April while veteran politicians scoffed, has won the governorship of Georgia by derailing the comeback drive of an old political warhorse, former Gov. Marvin Griffin.

The 37-year-old state senator, making his first bid on a state-wide basis, called it a great victory not for himself but for the people of Georgia.

Sanders had 30,095 votes and Griffin 208,507 in returns from 1,213 of the 1,826 precincts in Wednesday's Democratic primary.

Three other candidates drew a smattering of votes.

This was the first popular vote primary in Georgia in 54 years. Federal courts earlier this year knocked down the state's county unit system, which concentrated political power in rural areas.

Griffin, 55, who campaigned on the racial issue with promises to stem the tide of integration, issued no statement of concession.

Nomination means election as the Republicans have no candidate.

Sanders too is a segregationist, but throughout the campaign he said he would never permit turmoil and disorders — taking a stand similar to that of Gov. Ernest Vandiver. The governor, ineligible to succeed himself, has also charged that inflammatory statements made by some during the campaign were the cause of Negro church burnings and other recent racial incidents.

Griffin—who has served as adjutant general, lieutenant governor and governor—had the support of most of the state's oldtime politicians. The Ku Klux Klan gave him its blessing.

The primary returned U.S. Sen. Herman Talmadge and Rep. Carl Vinson to Congress. They were easy winners over token opposition. Talmadge was running for a second term. Vinson, the dean of the House, has been in Washington since 1914.

Reward Offered

WEINER, Ark. (AP) — Friends and relatives of the late Philip H. Henson of near Waldenburg have raised \$2,500 as a reward for the capture of the slayer of the 84-year-old storekeeper. Henson was killed by a shotgun blast through the window of his bedroom Feb. 6, 1960. His billfold was taken, but a sack containing several dollars was not.

Managers Are Important

Few football fans realize the importance of the team managers, sometimes known as the "water-boys." Yet they do more work for less recognition than any other group in athletics. This year the two managers are Micky Baber and George Jones. Baber, a senior, is the son of Mr. and Mrs. W. T. Baber and is a rookie in the manager department. Jones, alias Dr. Ben Casey, is a junior and the son of Mr. and Mrs. Teddy Jones. This is his second year as senior football manager, and he also managed the Bobkittens for two years. George took a student trainer course this summer offered by the Cramer Chemical Co. of Gardner, Kansas, a large dealer in football supplies.

The daily schedule for these two boys is a hard, long one. They have to arrive early to unlock the dressing rooms and issue equipment. Also, any sore or weak muscles will be taped or tended to by them. Game and practice uniforms plus towels make up the twenty-odd wash loads each week. During practice the managers are constantly being called on to move sleds, dummies, and other equipment on and off the field. Before and after practices they give whirlpool baths to injured players. Before home games they are responsible for boys to run the chains, the flags on the field, yard markers, and the visitor's dressing room. During the game Jones and Baber carry water, seek equipment, and doctor injuries. For out of town games, they pack all equipment, take care of cold drinks for halftime, and keep individual statistics on the players.

The managers' compensation: a jacket at the end of the season, the self-satisfaction of a job well done, and the knowledge that they did their part for the Bobcats.

Both Osceola and Luxora were at one time important river ports.

JFK Believes U. S. Will Be 1st in Space

WASHINGTON (AP)—President Kennedy has returned from a two-day tour of major space installations, determined the United States will be first in space and have a man on the moon by 1970.

The President also made clear during the exhaustive inspection tour ending late Wednesday at the McDonnell Aircraft plant in St. Louis, that he intends to press his challenge to Russia to reserve outer space for peaceful purposes.

At the plant Kennedy got a close-up view of the work being done on Gemini spacecraft designed to orbit two men up to two weeks in space in another year or so.

Possibly the highlight of the trip came earlier in the day at Houston where five of the seven astronauts, along with scientists, briefed him on the spaceships designed to take an American to the moon and back. He chose the city site of the manned spacecraft center for his only formal speech.

Speaking to 50,000 people under a boiling sun in Rice University Stadium, the President declared: "The eyes of the world and its restless millions now look up and out to space, to the moon and the planets beyond. And we have vowed that they shall not see it governed by a hostile flag of conquest, but by a banner of peace."

Promising that outer space will not be filled with weapons of mass destruction, Kennedy said: "The vows of this nation can only be fulfilled if we in this nation are first—and therefore we intend to be first."

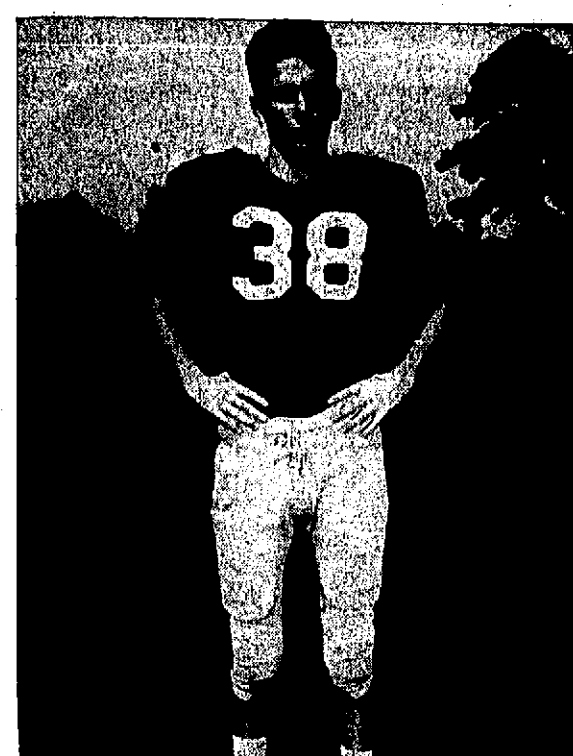

Of this nation's lunar ambitions, Kennedy said: "We choose to go to the moon in this decade." This, said Kennedy, is a challenge "we intend to win."

Kennedy also gave short talks to officers and employees at the spacecraft center, again at St. Louis and Tuesday at the Army and space agency installations at Huntsville, Ala., and Cape Canaveral, Fla.

Those were his occasions to speak. The rest of the time he spent listening, seldom commenting, to government and industry rocketry specialists.

The purpose of Kennedy's survey was to familiarize himself with operations in the space program and to gather fundamental information in advance of preparing his space budget proposal for 1963-64. He has said that space expenditures are bound to rise above the current budget of \$5.4 billion.

Powell on Carpet for Spending

By WILLIAM F. ARBOGAST

WASHINGTON (AP) — If Rep. Adam Clayton Powell, D-N.Y., spent any appropriated funds on his recent tour of Europe, he may run into difficulty trying to get reimbursement.

Powell, chairman of the House Education and Labor Committee, returned recently from a trip to Europe with two women members of the committee staff. His trip ostensibly was made to study the European Common Market and equal job opportunity for women.

A spokesman for the House Administration Committee, through which vouchers dealing with expenditure of appropriated funds by traveling congressmen must pass, said Powell's committee has no authority to travel abroad at the taxpayers' expense.

Early in the present Congress, the House Rules Committee and the House itself approved the customary resolution authorizing Powell's committee to make studies and investigations of matters within its jurisdiction.

While equal pay for women is within the committee's area, matters stemming from the European Common Market lie in the jurisdiction of the House Ways and Means Committee.

The resolution that gave Powell's committee investigatory authority confined its activities to the United States and any of its commonwealths or possessions. It did not authorize travel to foreign countries.

The Administration Committee spokesman said the committee cannot approve for payment any vouchers that Powell may submit covering expenses not paid for out of counterpart funds. Counterpart funds are foreign currencies owned by the United States and made available to traveling congressmen by the State Department.

The Administration Committee has no control over the spending of counterpart funds.

The Administration Committee has sent to all committee chairmen a notice that in the future more justification will be required before employment of special consultants on a contract or per diem basis is approved.

The action reportedly stemmed from complaints by some congressmen against employment by Powell's committee of Herbert Hill, labor secretary for the National Association for the Advancement of Colored People.

HOPE BOBCAT COACHES ARE LEFT TO RIGHT: HEAD Coach John Pierce, Line Coach Gordon Beasley, Junior Football Coach Billy Mitchell and Junior Varsity Coach Glenn Ballard.

TOO MUCH PURITY

HARRISBURG (AP) — Inscribed above the fountain of the justice at the Dauphin County Courthouse are the words:

"God gave the fountain of justice, men must preserve its purity."

Even so, county employees were somewhat alarmed recently when they found mountains of soap suds billowing from the water.

Apparently a prankster took the inscription to heart and dumped detergent in the fountain.

Advancement of Colored People.

The Washington NAACP office said Hill still was employed by the organization's New York office, Rep. H. R. Gross, R-Iowa, said Hill is being paid at the rate of \$10,000 per year on a contract basis by Powell's committee.

Asks Import Fee on Cotton

LITTLE ROCK (AP) — Sen. J. William Fulbright, D-Ark., sent a telegram to President Kennedy Wednesday asking him to impose an interim import fee on cotton textiles until a permanent solution to the problem can be reached.

Fulbright asked the President to override the action of the Tariff Commission, which last week rejected pleas of the Agriculture Department and the cotton industry to set an import levy of 8.5 cents a pound on cotton content of textile imports.

Fulbright asked that the interim import fee be effective until a new cotton pricing program can be developed.

Negro Arrested for False Statements

LITTLE ROCK (AP) — Willis Sharpley, about 50, has been arrested by U.S. Marshal Pat Henderson on charges of making false statements to the Commodity Credit Corporation to obtain money from the CCC's cotton purchase program.

An indictment returned by the federal grand jury last Thursday said Sharpley represented himself as the producer of four bales of cotton that actually were produced on the farm of Leander Shaw. The CCC bought the cotton in the fall of 1960.

Sharpley, a Negro, has a small farm seven miles west of Sherrill in Jefferson County. He posted \$1,000 bond before U.S. Commissioner Charles S. Goldenberger at Pine Bluff and was released until his case is called in federal District Court at Little Rock.

Smackover Always a Contender

Smackover's Battlin' Bucks were hard hit by graduation of 13 men and Coach Guy B. Hays faces a rebuilding job with only four seniors among the 34 hopefuls reporting on August 20.

Hays, who began his 30th year of coaching this season, said boys like Joe Black, fullback, who made All-District, All-State, All-Southern, and All-American, and his teammate, James "Smiley" Bryant, guard who won practically the same honors, are hard to replace. Bobby Ages, All-State halfback, Billy Moore and Tommy Burnett, all-district end, also lost by graduation.

But Hays said of his young team, which sports more sophomores than Juniors and Seniors, "I don't think we will be embarrassed. And next year we should have one of the best AA teams in the state."

A thumbnail sketch of the 1962 starters includes: Richard Mitchell, Senior, left end; a tall man who moves good with fair speed; he caught one pass for 12 yards in the Jamboree.

Sam Bateman, left tackle, Junior, 5-11, weighs 170, and is one of the best on punt coverage and downfield blocking.

Mike Law, left guard, a 165 pound 6 foot Junior, is one of the quickest linemen in the state. He played fullback in Junior high and has very good speed.

Gerald Leggett, center, made all-state last year and is one of the few returning starters. A Junior, he is 6' and weighs 185, and is a dependable performer.

Ralph Ramsey, right guard, a 170 pound senior, is Co-captain. Injured last year, he is back ready for quick aggressive action.

David Corley, right tackle, biggest man on the team at 210 is a Junior. A starter last year he proved he can hold his own with anyone.

Dale Lotz, right end, a 165 pound rangy Junior, is one of the speediest men in the line. He caught a 15 yard pass with one hand at the Jamboree.

Tommy House, quarterback, 5-11, 160 pound Junior, is a good passer, and in the Jamboree last week at Camden, hit 3 out of 4 for 32 yards.

Tommy Taylor, right halfback, a two-year veteran, has started since he was a freshman. Now a lanky Junior, he's 6-1 and a 170 pounds, and is one of the fastest men on the team. He average 8 yards on six carries at the Jam-

Cheerleaders Always Yell for Their Bobcats

Leopards Top Class A Team in Arkansas

The DeQueen Leopards, coached by Jack Bell, were rated the

top Division A school in the state. They opened their season by slapping Mena down 30-0, but last week Big 9 Hot Springs barely slipped by the Leopards with a 13-6 victory. Hope and Hot Springs are rated about the same.

DeQueen six TD's have been spread around. Right halfback Don Shirley opened the DeQueen-Mena bout with a 60-yard scoring romp. Left HB Woody White followed up a 54-yard drive for the second Leopard tally, and FB Tommy Harris duplicated that feat for another 6 points. Harris, an All-District tackle last season, has been converted to a very powerful fullback, and he also scored the lone DeQueen TD against Hot Springs. Tackle Ernie Merrill borrowed a Mena aerial and lugged it 50-yards for the fourth DeQueen tally of that game, and sophomore HB Gaylon Goodwin closed the scoring with a five yard spurt for paydirt.

Other Leopard standouts are Tackle Tony Beltrami, End Ricky Markell, and QB Bob McKinley. Coach Bell's large variety comes

Leopard, Hope Series a Long One

Friday night's game marks the 18th in the Hope-DeQueen series in which the Bobcats hold a slight margin of nine victories to the Leopards seven with one tie. In the first years of this rivalry the games were usually high scoring but now the games are sure to be close every season.

Few predictions are made, and only wary ones all that for the Bobcat-Leopard games are always rough, tough and exciting with the teams usually making their best performances of the season. The 17 year tally is as follows:

Leopard, Hope Series a Long One

After Friday night's game, the remaining DeQueen schedule is: Sept. 21 Broken Bow ... Here Sept. 28 Ashdown ... There Oct. 5 Magnolia ... There Oct. 12 Nashville ... There Oct. 19 Gurdon ... There Oct. 26 St. Anne's ... Here Nov. 2 Arkadelphia ... Here Nov. 9 Prescott ... Here

Air Mail began in Little Rock in 1931.

Texas Looms as Team to Beat in SWC

AUSTIN, Tex. (AP)—The University of Texas Longhorns loom as the team to beat in Southwest Conference football this fall.

With 27 returning lettermen from a 10-1 season, Coach Darrell Royal will be looking for his first undefeated year since taking over in 1957.

Royal is banking heavily on fullback Ray Poage, a swift runner who averaged over 5 yards a carry last year.

Pat Culpepper will carry much of the defense load in his third year as Royal's No. 1 linebacker.

Despite the loss of All-American tailback James Saxton, Royal finds two ready replacements in Jerry Cook and Tommy Ford. Each of the tailbacks had more playing time last year than Saxton.

One of Royal's main problems will be finding a fill-in for quarterback Mike Cotten, who provided steady leadership for two seasons. The top contenders are Johnny Gensung, Duke Carlisle and Tommy Wade.

The powerhouse in the line will tackle Scott Appleton, a 225-pound junior. End Tommy Lucas and guards Marvin Kubin and Johnny Treadwell were starters last year and will return.

At wingback Royal will probably start senior John Allen Cook, but will have promising sophomore Ernie Koy Jr. and Joe Dixon to alternate. Koy, the son of a former Longhorn great, will see a lot of action in the Longhorns' kicking game. As a freshman, Koy kicked 28 times for a 38.1-yard average.

Royal opens practice Saturday to prepare for the Sept. 22 opener with Oregon.

Texas had a spring practice full of injuries and fears the same can happen this fall. Poage ran on the track team during the spring after missing three games last year with an injury.

"Our strong point will be experience this year," Royal said. "But we still have to replace seven starters—three of them in the backfield."

"Our defense also will be down a bit from last year," Royal said. The Longhorns, who scored 303 points to 66 for the opposition, meet Tulane, Oregon and Oklahoma as the only non-conference foes before taking on the seven conference challengers.

Royal is banking heavily on 11 seniors to provide the leadership he will need to keep his team fired up each weekend.

Panthers Always in Top Division

The Camden Panthers, tough as always, surprised every one but themselves by topping their 4AA neighbor Fairview 7-0 last Friday. Fairview had beaten them 7-6 in the 4AA Jamboree at Camden.

Panther QB Jim Jordan scored the lone TD against the Cardinals on an eight yard keeper and then added the extra points. Time ran out in the game with Fairview threatening on the Camden eight.

Camden has taken seven 4AA titles in the past 14 years, including the last two. Head Coach Ray Lotteliter lists his standouts as QB Jordan and Guard John Marion. The Panther backfield averages 157-pounds and the line 180-pounds. Camden is about the same size as Hope with a slight edge in speed, but the locals hold the lead in experience.

Ten of the starting eleven are starters. End Gary Meeks is the strasser for the Panther veterans. The lineup includes: ENDS: Darrell Beaver, 165, and Gary Meeks, 150; TACKLES: Al Bomar, 197, and Bill Smead, 185; GUARDS: John Marion, 180 pounds and John Stinson, 185; CENTERS: Jerry West, 177; HALFBACKS: Bobby Shuler, 165, and John Jordan, 140; QUARTERBACK: Jim Jordan, 153; FULLBACK: Ronnie Calaway, 115.

The remaining schedule for Camden is:
Sept. 14 Berber There
Sept. 21 Fordyce Here
Sept. 28 Arkadelphia There
Oct. 5 Malvern There
Oct. 12 Crossett Here
Oct. 19 Pine Bluff Here
Oct. 26 Hope There

Nov. 16 Smackover There
Nov. 22 El Dorado Here

Leasing Approved

LITTLE ROCK (AP)—A federal team approved Wednesday the leasing of vocational facilities at the Fort Smith Junior College for a state training program.

J. Marion Adams, assistant Education Commissioner for vocational education, said federal approval of the courses must be obtained since the state spends funds for them under the Manpower and Development Act.

The state Board of Education has allocated \$70,000 to Fort Smith, including a \$21,500 payment for one year's rental of facilities in the junior college.

Cardinals Again Have Possibilities

The Fairview Cardinals, coached by Huie Lindsey, join the Hope Bears for top billing in Region 4AA. The Cards proved themselves by winning the Camden Jamboree by taking Camden 7-6 in the finals.

Lindsey, in his first year as head coach has 13 returning lettermen, six as starters.

The Cardinal line averages 177 pounds with a backfield average of 165 pounds. One of the highest rated backs in the district is FB Stanley Watson, who scored the winning touchdown in the Jamboree. QB Ray Jones was another pleasant surprise for Coach Lindsey. Rounding out the backfield are 170 pound halfbacks Guy Teel and Tommy Burton. The ends are Keith Dunlap and Billy Parker, while 195 pound tackles Tommy Walker and Joe Bailey are the weightmen. Lettermen Charles Cook, Eddie Jackson and David Bell complete the line.

In recent rating the Cardinals placed 11th in the state. Last week, however, Fairview was tripped up in a 4AA game, 7-0 by Camden.

The remaining Fairview schedule is:

Sept. 14 Smackover There
Sept. 21 Open
Sept. 28 Haynesville, La. Here
Oct. 5 Arkadelphia Here
Oct. 12 Hope There
Oct. 19 Bearden There
Oct. 26 Magnolia Here
Nov. 2 Hall Here
Nov. 9 Crossett There
Nov. 16 Malvern Here

Arkadelphia Has Only 4 Lettermen

Coach Gene Fletcher, starting his first year as head coach in Arkadelphia, will receive a real test this season. With only four lettermen and one starter, Fletcher has to assemble a team capable of whipping six of the District 7A foes and five 4AA teams: Camden, Hope, Malvern, Smackover, and Fairview.

The only veteran is Paul Estes, 190-pound fullback. The other lettermen are Billy Bob Harding, Larry Nix, and James Fortman. A 195-pound tackle, Harding and Estes are the co-captains. The starting line averages 168-pounds with a backfield average of 167-pounds, one of the heaviest backfields in the district.

However, a guard and a center who were to start still only weigh in at 135-pounds. The weightmen are Fortman, Henry Halcom, a 170-pound tackle, and Bill Haynes, a 190-pound end.

The remaining Badger schedule is:

Sept. 14 Nashville Here
Sept. 21 Prescott There
Sept. 28 Camden There
Oct. 5 Fairview Here
Oct. 12 Smackover Here
Oct. 19 Malvern There
Oct. 26 Gordon Here
Nov. 2 DeQueen There
Nov. 9 Ashdown Here
Nov. 16 Hope There

Magnolia to Be Stronger This Year

Magnolia, who has been the cellar dweller of Region 4AA in past years, may up its ratings this season. Head Coach Joe Thornton may be largely depending on his 165 pound halfback, Ollie Brown, and a transplanted tackle, End Jim Cole at 175 pounds.

Magnolia took the booby prize in the Camden Jamboree and then was dropped by Malvern 20-0 last Friday. However, Magnolia is reported to be hampered by injuries.

The Panthers have 13 returning lettermen who are: QB Christain, 165; HB Driggers, 145; HB Clemens, 165; FB Bowman, 140; FB Couch, 180; HB Brown, 165; HB Dodson, 158; Center Whitely, 165; Guard Johnson, 175; End Kendal

Remarks Grid Player Tires of Hearing

By HAL BOYLE

NEW YORK (AP)—Remarks a pro football player gets tired of hearing:

"Let's put in Tiger McGurk—the game's already lost anyway."

"He eats enough during the training season to last him all year."

"Then nicknamed him 'Three-yard McGurk' because, whenever he carries the ball, he never loses less than three yards."

"The only time he stays on his feet is when they play the national anthem."

"What we needed was a head blocker, and what we wound up with was a blockhead."

"Gee, it's nice of you to offer me this pass to watch you play in your next game, Tiger. But frankly I'd rather stay home and rake the back yard."

"Sure, it's okay for you to hold down an outside job, Tiger. But that don't mean you can try to sell life insurance to the referee during a game."

"It's true he got off to a bad start. At the first practice they told him to tackle the dummy—and he tackled the coach."

"I wouldn't say he's delicate, but every time he bruises a hang-nail he heads for the sidelines."

"The only reason we haven't already traded you to Dubuque, Tiger, is that they don't have a team in the league."

"How's this for a trick play—let Tiger go out for a pass. The other team will never think we're that crazy."

"There's only one thing really wrong with McGurk. He's got a million-dollar body with a 10-cent mind."

"It has been so long since they put him into a game he's collecting unemployment insurance."

"Tiger, we've got to do something to get back some of the dough we put into you. How about you helping sell hot dogs between halves?"

155 and End Cole, 180.

The remaining Panther schedule is:

Sept. 14 Prescott Here
Sept. 21 Crossett Here
Sept. 28 Smackover There

Bobkittens Smaller But Just as Anxious

Thirty boys make up the traveling squad of the 1962 Hope Junior Bobkittens. These eighth and ninth graders are:
Quarterbacks: Sammy Strong, son of Mr. and Mrs. Sam Strong is 5' 7" and weighs 130-pounds. He is a 14 year old freshman. Mike Westbrook, 5 feet and 100-pounds, is the son of Mr. and Mrs. Bob Westbrook. Mike is a 13 year old eighth grader.
Fullbacks: Bobo Ball, 15 year old freshman, is 5' 6". Ball also is the 145-pound son of Mrs. A. C. Ball. Dennis Turner, son of Mr. and Mrs. A. Z. Turner, weighs 125-pounds and is 5' 4". This eighth grader is 13 years old. 13 year old Freddie Easterling, 5' 6" and 120-pounds, is the son of Mr. and Mrs. Lyle Easterling.
Halfbacks: Stan Parris, son of Mr. and Mrs. Olen Parris, is a 13 year old eighth grader. He stands 5' 6" and weighs 115. Bobby Samuels, 5' 6" and 115-pounds, is the 14 year old freshman son of Mr. and Mrs. H. D. Samuels. Monroe Pardue, son of Mr. and Mrs. E. N. Pardue, weighs 115-pounds. Pardue, 13, is a 5' 7" freshman. Grandy Royston, son of Mr. and Mrs. Buster Royston, is 5' 1" and 100-pounds. He is a 14 year old freshman. Larry Brown, 5' 2" and 114-pounds, is 13. Brown is the son of Mr. and Mrs. Elmer Brown.
Ends: Ronnie Ingram, 14 year old freshman, stands 5' 2" and 110-pounds. He is the son of Mr. and Mrs. J. B. Ingram. Eddie Aslin, son of Mr. and Mrs. Ed Aslin, stands 6 feet and 150-pounds. Aslin is a 14 year old freshman. Robert Hughes, son of Mr. and Mrs. John L. Hughes, is 14. This freshman is 5' 7" and 125-pounds. David Barber, son of Mr. and Mrs. David Barber, weighs 125-pounds. Barber, 14, is a 5' 7" freshman. Dwayne Arrington, son of Mr. and Mrs. Truman Arrington, is 5' 10" and 110-pounds. He is a five foot eighth grader.
Tackles: Billy Lauterback, 5' 5" and 112-pounds, is the 13 year old son of Mr. and Mrs. Harry Lauterback. Riley Lemley, 5' 10" and 146-pounds, is the 15 year old freshman son of Mr. and Mrs. Hiram Lemley. Tommy Cox, 5' 7" and 120-pounds is the freshman son of Mr. and Mrs. T. W. Cox. Larry Moses, son of Mr. and Mrs. Gus Moses, is 12 years old and 5' 10", 155 pounds. James

He Writes About the Bobcats

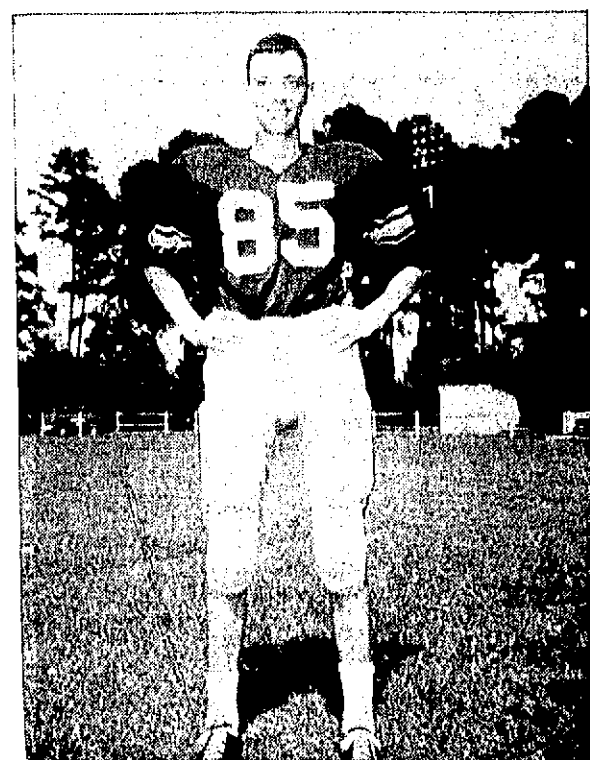

Vince Foster
Beginning his third year as sportswriter for the Hope Star this year is Vince Foster, son of Mr. and Mrs. Vincent Foster. Vince is 17 and a senior in high school. He is president of the Student Council and an honor student. Vince is a member of the F. T. A., Key Club, Math Club, Science Club, and National Honor Society. He is also president of the Presbyterian Youth in Hope and a letterman of the basketball team.
Lawrence, son of Mr. and Mrs. Mack Lawrence, is a 5' 10", 155-pound eighth grader. Jimmy Pilkinton, 5' 5" and 120-pounds, is the freshman son of Mr. and Mrs. James Pilkinton. Bobby McGill, 5' 4" and 115-pounds, is the freshman son of Mr. and Mrs. Sam McGill.
Guards: Larry May, son of Mr. and Mrs. Junior May, is a 5' 9", 135-pound freshman. Johnny Duke, 5' 10" and 125-pounds, is the freshman son of Mr. and Mrs. Harold Duke. Bill Coffee, son of Mr. and Mrs. Clyde Coffee, is a 5' 2", 100-pound freshman. Kenny McMurry, 4' 7" and 90-pounds, is the freshman son of Mr. and Mrs. H. K. McMurry. Gene Thompson, son of Mr. and Mrs. Grover Thompson, is a 5' 5" and 110-pound freshman. Mike Dillard, 5 foot and 103-pounds, is the eighth grade son of Mr. and Mrs. Garland Dillard.
Centers: Charles Batson, 5' 11" and 180-pounds, is the freshman son of Mr. and Mrs. Charles Batson. Larry Don Wright, son of Dr. and Mrs. George Wright, is a 5' 6" and 120-pound eighth grader.
Old pickup trucks converted to buses by the addition of an open wooden body, canvas side curtains and rough plank seats are the major link between West African villages. The buses are called mammy wagons because most of the travelers are women going to and from markets.

Eagles Have 10 Lettermen Returning

For the 1963 Eagles, Head Coach Harry Denson has ten returning lettermen from last year's sixth place 4AA team. The Eagles finished the last season with a 1-8-1 record. Coach Denson will make no predictions about his team and feels that only time will tell.
The probable starting lineup of the Eagles include:
Ends: Larry Culbreath, 140-pound senior letterman, and Richard Meredith, 175-pounds and very capable.
Tackles: Warner Williams, 160-pounds and Robert Davis, 210-pounds and second largest starter in the district.
Guards: 155-pound senior Larry Vaseline and Lloyd Leonard, 145-pound rookie.
Center: Charles Thomas, 150-pound rookie junior.
Quarterback: Two year veteran Ladd Scriber, 145-pounds and fast. Left halfback - 150-pound senior Allen Etheridge, quick letterman. Fullback: Tom Smith, small, 150-pound rookie.
Right Halfback: Senior Jim Woods, 150-pound speedster.
The Eagles will be unusually small this year with a line average of 162-pounds and a back average of 149-pounds giving a team average of 157-pounds. However, weights and numbers can be deceptive.
The Crossett schedule is:
Aug. 31 Eudora Here
Sept. 7 Monticello Here
Sept. 14 Malvern Here
Sept. 21 Magnolia There
Sept. 28 Open
Oct. 5 Hope Here (Homecoming)

They Cheer on the Junior Bobkittens

Malvern New Member of District

Of the 72 boys who turned out for the opening practice at Malvern, Head Coach Bill Hunt noted that only 12 of them were lettermen and only three of those starters. These returning starters include 175-pound fullback Jim Cole, co-captain who made All-District last year and was Malvern's leading rusher against the Bobcats; Jim Fitzhugh, 195-pound right tackle; and Jeff Kemington, co-captain and 155-pound center.

Coach Hunt saw some silver lining to the twin clouds of weightlessness and experience that hover over him. "We're lucky to have the boys from last year's B team — which lost only one game — and the boys from last year's undefeated junior team to help us this year," Coach Hunt said. "We're pretty well going to have to mold our team around them."

Other lettermen are George Reagan, 150-pound end; Larry Voss, 135-pound end; Mike Kent, 172-pound tackle; Jim Grubb, 164-lb. guard; Phil Tate, 150 lb. cen-

ter; Morton Wheatley, 130-pound fullback; Greg Loefer, 160-pound center back; Steve Harmon, 140-pound fullback; and Bobby Nichols, 160-pound halfback.

Fullback Cole is very proficient in the quick kick department, and the Panthers plan to use it frequently this season. Quarterback Loefer handles the punting.

In his eighth year at Malvern, Coach Hunt will again rely on the winged T for offense, although this will be hindered by the lack of speed in the Malvern backfield. Coach Hunt agrees with others that Hope is the team to beat in Region 4AA this year. The Panthers are rated 5th in the district of seven teams. Last season they outscored the locals 26-20 there. They will meet the Bobcats again September 28 here.

The longest, driest coastal desert in the world stretches along the Pacific littoral of Peru and northern Chile. Several weather stations in the area have recorded no rainfall for 20 years. But torrential rains sometimes fall in places, literally melting clusters of baked-mud houses.

Scrappers Traditional Bobcat Foe

Again the Nashville Scrappers return strong this season. Coach Dwight Jones, the 1961 high school coach of the year has four starters and seven lettermen returning to try for Nashville's second consecutive 7A championship, and their fifth in eight years.

Allen Tollett, 155 pound fullback rates high among Jones' eleven. Other returning starters include Charles Pinkston, a 135 pound tailback who has tallied 24 of Nashville's 37 points in their first two games, Tom Braine, 145 pound left end and Johnny Glearley, 180 pound tackle.

The Scrappers opened the season with a 19-6 win over Dierks with Pinkston scoring 12 points. Tollett scoring six and Jimmy Rhodes adding the PAT. In Nashville's 18-0 7A victory over Ashdown, Pinkston scored two more TD's while Tollett also scored another.

Bell, Native of Hope, Has Fine Record

Jack Bell, Head Coach for the DeQueen Leopards, played halfback for the Hope Bobcats during the '42, '43, and '46 seasons. He graduated in 1947, and attended Ouachita for the next two years. Bell also played halfback at Henderson in 1950.

Coach Bell spent three years on the coaching staff at Arkadelphia before becoming assistant coach at DeQueen in 1954. He was promoted to Head Coach in 1956. Bell married the former Miss Virginia Magness of Emmet and they have two children - Jackie 11 years old, and Ginger, eight.
